#WomensRights #EducationalTool #BlackHistory #Identity #Migrations #AntiRacism

Exhibition during the Black History month at the Dussman Culture store in Berlin 2021

"TAYOS WEG" Illustrated book Berlin 2019

Each One Teach One

Tayos Weg is an edition about Black presence in Germany. A combination of historic facts, comics, documents and biographies, which offers a change of perspective and brings to light "dark chapters" but also empowers Black resistance narratives. Concept design, illustration and comics by Yorgos Konstantinou (imagistan)
